CHEWS

ANTLERS

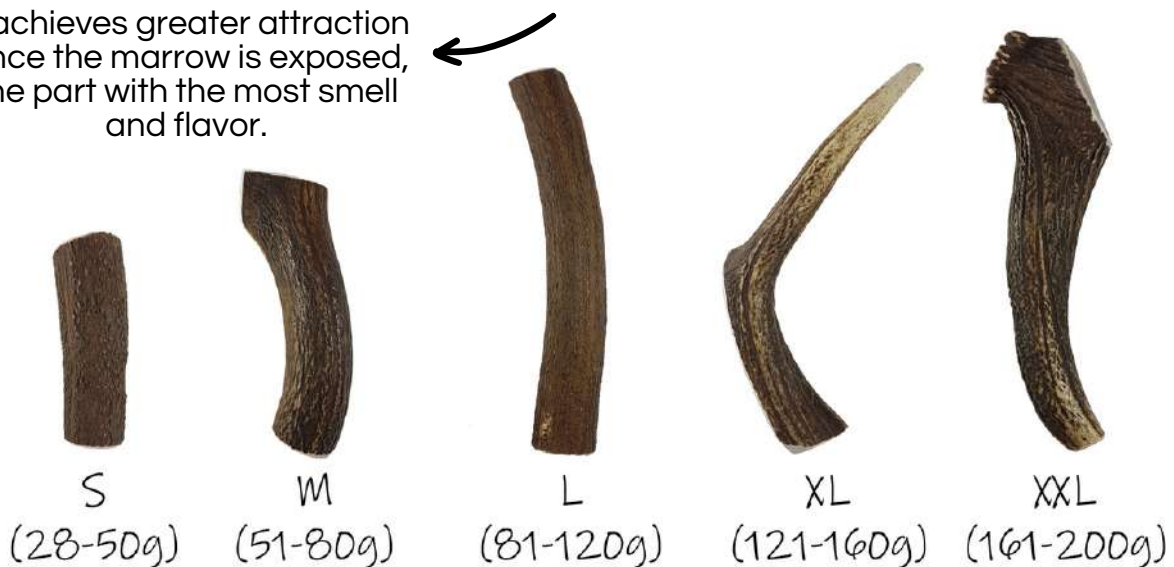

- **PREMIUM CHEW** - First quality (AA or A).
- It comes from the natural fall of the antler.
- **COMPLETELY NATURAL** - Free from preservatives and additives.
- **LOW FAT** - Rich in protein and minerals, such as iron and calcium.
- **DENTAL HYGIENE** - Helps to remove tartar and bad breath.
- **SAFE** - The antlers are cut and polished.
- **REDUCES STRESS AND ANXIETY.**
- **100 % EDIBLE.**
- **DURABLE.**

DEER

DEER SPLIT

It achieves greater attraction since the marrow is exposed, the part with the most smell and flavor.
